

# North Manama Bridge and Highway Project - in Manama/Bahrain

Bridge and Highway Project 2013 - Kingdom of Bahrain

## ACO. The future of drainage.

ACO line drainage – all purpose system  
 ACO DRAIN® Multiline V 200 Flat channel and  
 ACO Bridge Drain HSD - 5 in cast iron

Construction of new 2.42 km of roads along Al Fateh Highway and the eastern and northern sides of the Bahrain Bay. Construction of a new 238 m long curved left turn flyover to provide a two-lane single carriageway access to the Bahrain Bay from the North Manama Causeway (to be re-paid in full by the Bahrain Bay Development).

Construction of a new 51.4 m long single span bridge to provide three-lane dual carriageway across an architectural canal along the northern side of the Bahrain Bay.

The project was finished in 2013.
